Sub: Provisions for Safety, Security and Counselling at EMRSs - reg

This office recognizes the unique challenges faced by EMRSs, particularly given their remote locations and residential co-educational nature. Ensuring the safety and well-being of students is paramount and the following measures may be taken to ensure smooth functioning of EMRSs:

1. Availability of school vehicle

By considering the remote locations of EMRS, the State Societies may arrange for a hired vehicle (with at least four seating capacity) along with the driver through outsourcing to all functional EMRS for school purpose, if not arranged till now. This will ensure safety of all students and staff in the school and for attending emergency medical situations. The services of vehicle with driver are to be made available 24x7 and the driver is to be accommodated in EMRS campus. The school vehicle is not to be used for any personal purpose by any official of school. Maximum of Rs. 35,000/- p.m. is allowed for hiring vehicle including driver. Finalisation of hired vehicle may done through GeM Portal. The responsibility of maintaining and verifying the log book lies with Accountant of EMRS. If the Accountant post is vacant, senior staff of office has to perform the same duty.

2. Arrangement for security personnel

The State societies may arrange for security personnel for every EMRS to ensure safety of the campus including students and staff. In respect of permanent campus, 02 personnel per shift maybe allowed whereas, 01 personnel may be allowed if EMRS is functioning in temporary campus. Security personnel may be engaged through outsourcing to safeguard EMRS campus 24x7, if arrangement is not made till now. Shift system may be allowed.

3. Engagement of counsellor through outsourcing in EMRS

In EMRSs, students from classes VI to XII are studying in the age group of 10 to 18 years. Being adolescent students, there is a need to counsel the students regularly. The counsellor is expected to attend to career counselling in addition to psychological counselling. The State societies are allowed to arrange for engaging qualified female counsellor through outsourcing initially for the period up to 31st March 2025, if not already arranged. On the basis of feedback, further decision may be taken for utilizing the services of counsellor through outsourcing by NESTS.

Your cooperation in implementing these provisions is highly appreciated.

NESTS/Admin/MiscProposals/388/2022-23

Dated: 01/10/2025

To,
All Principals
Eklavya Model Residential Schools (EMRSs)
(As per list)

Subject: Urgent compliance regarding engagement of outsourced staff in EMRSs

Sir/Madam,

It has come to notice with serious concern that despite repeated instructions, several EMRSs have not even filled the Google Form, nor initiated the process for engagement of essential outsourced staff, namely Part-time Doctor, Staff Nurse, Counsellor, and Vehicle with Driver.

2. Such non-compliance reflects a lack of seriousness and responsibility towards directions issued by NESTS. This lapse is highly unacceptable as it directly affects the welfare and safety of students entrusted to your care.

3. The Competent Authority has expressed strong displeasure at this negligent approach. All Principals are hereby directed to take immediate action to engage the above staff on an urgent basis and ensure that compliance is reported through the Google Form link (<https://forms.gle/dDSH5TiVXkvdJXeK8>) within 07 days of receipt of this communication. Failure to comply within the stipulated time will be viewed most seriously and may invite disciplinary measures against the defaulting Principals.

This issues with utmost urgency and must be complied with strictly.

Yours faithfully,

(Kumud Kushwaha)
Deputy Commissioner, NESTS
